PREPARING FOR YOUR VISIT

Your visit to our facility must be approved and documented prior to your arrival. Please contact your host for additional information.

Many conference rooms have A/V capability with HDMI connection for your laptop. Marotta IT support staff has various adapters, however these may not function if your Company policy prohibits installation of software on your device(s). Notify your Host POC in advance in order to prevent delays during your visit.

A WiFi Guest Network is available for your professional use. High bandwidth activities such as music or video streaming are not permitted.

Marotta maintains a tobacco and smoke-free facility. This also applies to e-cigarettes, and vaporizers.

In order to facilitate immediate evacuation of the building in the event of an emergency, notify your Host POC if you have a physical disability that may present a challenge in order to assure assistance is available for your safe evacuation.
